

WHAT TO DO WHAT'S ON HISTORY ATTRACTIONS ACTIVITIES

EDUCATIONAL VISITS UK DAYS OUT - WALES

AUTUMN 2021

Welcomé

Contents

Welcome to the latest Educational Visits digital magazine bringing you news and updates on what is happening for schools and families in your region during Autumn. Hopefully you have all had a lovely summer getting back to some normality after an extremely challenging 18 months.

October Half Term, Halloween and Bonfire night will soon be upon us (we won't mention Christmas yet) and we hope that this magazine gives you and your family some inspiration of exciting things to do and places to visit on your doorstep. If you are able, please support your local businesses to help them get back on track and feel free to tell friends and colleagues about this publication so that they too are aware of exactly what is happening in your area. As always, please follow all guidance to stay safe and we hope you have a fantastic time this Autumn.

COP26 - Together For Our Planet

Glasgow Scottish Event Campus (SEC) is hosting the 26th Conference of the Parties, known as COP26, from Sunday 31st October – Friday November 12th 2021.

With delegates from all over the world expected to attend, COP26 is designed to produce an international response to the climate emergency. Glasgow is a perfect host with a carbon neutral target of 2030 and a city rating of 4th in the world in the Global Destination Sustainability Index.

We think that now, more than ever, is a vital time to be talking about this all important issue. Our advertisers agree and they will be contributing to an online discussion throughout 2021 about how global warming is affecting them but just as importantly, the positive things they are doing to help eradicate it. We would love to hear from you and how your school is helping. Do send us information that we can post on social media as the more schools that join in the debate the better. As well as discussing global issues, we will also be promoting what is happening near you. So make sure that you are following us on Twitter, Facebook and Instagram. Tell us what articles you like and what you want to hear about, feedback is always welcome whether it be positive or negative. We share events, competitions, offers and the latest news from all our favourite places so make sure you are in the know by following us on social media and on https://www.educationalvisitsuk.com/

VISIT OUR WEBSITE www.educationalvisitsuk.com

Discover an array of museums and places to visits, together with the latest information on our website <u>www.educationalvisitsuk.com</u>.

Updated throughout the year with blogs, educational workshops as well as events and new listings, the www.educationalvisitsuk.com website brings together everything to make planning your next educational adventure effortless. We have combined the website with School Trips UK, our sister site, that offers bespoke school trips, this will make it easier for you to choose whether you want to book and organise your school trip yourself or decide to use our services and let us take the strain of organising and planning your next adventure!

STATES OF

THE WORLD FOR STATE

Listings for over 200 attractions and accommodation from all over England and Wales that we think are perfect for school trips or education groups. You will also find more information about each attraction including the key stages/ages catered for and subjects as well as the facilities they have including accessibility.

Direct links to each advertiser's website for ease of booking or making an enquiry.

TripAdvisor ratings for each attraction so you can see what other teachers think before you book.

An active events page which lets you know special events and exhibitions that are going on – check back regularly so as not to miss a thing!

A compelling blog, written by our team with contributions from our advertisers ensures that our articles have the latest news to continually inspire you throughout the year.

Spotlight on Cardiff

Cardiff (or Caerdydd in Welsh) is the largest and capital city of Wales. That said, it is also one of smallest capital cities in Europe and one of the newest having become the capital city in 1955. Three rivers run through Cardiff, the Taff, the Ely and the Rhymney and the huge port of Cardiff Bay is now a fantastic place to shop, eat and relax. The large university student population gives the city a vibrant feel and there are year-round events and festivals to keep locals and tourists entertained.

Don't Miss

Senedd Building – is the main public building of the Welsh Parliament and the main centre for democracy/devolution in Wales. It is also accessible for you to pre-book tickets to watch Senedd debates live in the building.

Cardiff Castle – located in beautiful parklands in the heart of the city, the castle was once a Roman Fort and is one Wales' leading heritage attractions. With exposed roman walls, a medieval Keep and Wartime Shelters, it's an exciting place to visit.

National Museum – a world class natural history and art museum with ever changing events and exhibitions – and it's Free!

St Fagans Natural Museum of History – another Free Museum to enter this time open-air, that embraces Welsh lifestyle, culture and architecture.

Roath Park – one of the city's first public parks, it was established in 1894. At over 130 acres, it is huge with a lake, rowboats, adventure playground, wild garden and even a lighthouse.

Interesting Facts

The 1607 flood in the Bristol Channel that changed the course of the River Taff is now recognised as likely to have been a tidal wave.

Cardiff is widely regarded as the city with the most castles in the world and these attract millions of visitors each year.

The Principality Stadium is the largest stadium in the world of its capacity with a retractable roof.

Cardiff has the world's oldest record store, Spiller's records, founded in 1894.

Per person, it has more green space than any other UK city.

Cardiff has over 1000 listed building ranging from castles to small houses.

The Wales Millenium Centre has won the 'Toilet of the Year Awards' twice. You could call that flush with trophies!

Spotlight on Anglesey

Anglesey is a small island lying off the northwest mainland of Wales. Accessed by the famous Menai and Britannia bridges, it is an inspirational place that appeals to adventure seekers. Miles of scenic walks are available on the Isle of Anglesey Coastal Path as well as plethora of suitable paths for the cycling contingent. The scenery here is really something special and much of the coastline has been declared an Area of Outstanding Beauty. Anglesey is the largest island in Wales at 260 square miles and is also the second most populous island in Britain, after the Isle of Man. The port town of Holyhead is the largest in Anglesey and handles over 2 million passengers a year to and from Ireland.

Don't Miss

Anglesey Sea Zoo – Wales' largest marine aquarium has over 40 tanks displaying the best of British marine wildlife. It's also a great place to learn about sea habitats and all about the research and conservation work being done here.

Anglesey show – held on the second Tuesday and Wednesday every August, this really is a sight to see with farmers competing in livestock rearing contests.

Beaumaris Castle – is famous as the greatest castle never built! Created by Edward I, this was to be a castle to end all castles but a lack of money meant that it never reached these intended dizzy heights. That said, it is still a gloriously incomplete fortress and a must see.

Benllech Beach – a really safe beach to take children, Benllech has a fine golden beach, stunningly blue clear waters and sand that stretches for miles at low tide.

Holyhead Breakwater Country Park – near to the port town, the park is situated on the site of an old quarry and is now a great place to enjoy the natural beauty of the area.

Interesting Facts

Anglesey has long been associated with druids and the island was attacked in AD60 by the Romans trying to break their hold.

During the Second World War, Anglesey was designated a reception zone for evacuee children. It also received Italian Prisoners of War.

Anglesey is home to the village with the longest name in Europe (58 letters) Llanfairpwllgwyngyllgogerychwyrndrobwllllantysiliogogogoch.

Famous people from Anglesey include actress and comedian Dawn French and singer and presenter Aled Jones.

Ten points if you can name the capital of Anglesey? Answer – it doesn't have a capital or a county town – instead it has a county council office in Llangefni.

The Easy Care breed of sheep was first bred in the 1960s on Anglesey by farmer Irlo Owen. The breed was quite radical and revolutionary as the wool of the sheep is shed naturally in the summer months.

Kids Days Out - Events

Below is a list of great days out over the coming weeks for Autumn events listed by county. Always check the website of the place you are visiting before you go so that you are fully aware of the opening times, booking procedures and any restrictions that may still be in place.

School Trips - Bespoke to You

With over 25 years of experience in the travel industry, our school trips team can help organise your ideal trip. We are proud of our trips and know that whatever the destination we can deliver bespoke packages that will inspire students of all ages.

After we have received your initial enquiry, you will work with one team member from the start to the completion of your trip. Throughout the process your agent will keep you in the loop to ensure you are happy with things every step of the way.

All trips are created to your requirements and can be arranged around specific topics that are relevant to your class. We can include workshops, talks, company visits or other relevant activities to your requirement. Everything for your trip is organised for you by us and personally sourced, from local restaurants to evening activities such as theatre shows or ghost walks.

Before you depart on your trip you will be provided with detailed itineraries, all your booking information, travel maps and walking guides where appropriate and if needed 24-hour emergency contact details.

Check out the sample itineraries on our website for ideas and inspiration. These itineraries are just an illustration of the kind of trip we can organise, whatever you have in mind get in touch to discuss how we can help you plan the perfect school trip.

www.educationalvisitsuk.com/school-trips-and-travel-experiences/

If you have ideas but are not sure how to bring them all together, get in touch and see how we can help make your perfect school trip come to life.

For your free, no obligation quote get in touch:

WE INCLUDE:

Transport Accommodation Entry to attractions Evening meals Packed lunches FREE teacher places Information packs Personal guide on request Risk assessments 24 hour support

Virtual Learning

The challenges of 2020/21 have meant that everyone has had to adapt the ways in which we learn, communicate and interact with others. We have all certainly improved and increased our use of video conferencing services to virtually meet and chat with friends and work colleagues. School children have also had to adapt with many being home-schooled by 'willing' parents and completing schoolwork online and on platforms like Google Classrooms.

Similarly, museums and other visitor attractions had to adapt the way in which they were able to ensure that schools could still access learning experiences, especially when they were not allowed to physically visit. Virtual outreach is one way in which learning can be achieved and here is a list of some of the country's museums and attractions offering other ways of learning during the new academic year.

Aerospace Bristol – have a vast array of fun and educational activities & resources to enjoy at home or in the classroom.

https://aerospacebristol.org/at-home-with-aerospace-bristol

Beamish – The Living Museum – bring classroom learning to life through remote and onsite, immersive experiences for KS1-5. https://www.beamish.org.uk/learning/learning-activities Bristol Museums - Book online for FREE lessons on Bristol Blitz, Prey and Predators or Brilliant Bristol Women! 13 October, 20 October https://www.bristolmuseums.org.uk/learning/

British Motor Museum – offering virtual sessions and bespoke virtual museum visits. <u>https://www.britishmotormuseum.co.uk/learning/schools</u>

Cornish Seal Sanctuary – the Education team have created curriculum linked online workshops including videos, discussions and activities. https://sealsanctuary.sealifetrust.org/en/visiting-us/virtual-workshops/

Jewish Museum – offer award-winning workshops through distance learning. Workshops are based on a guided exploration experience of the unique collection of authentic objects. https://jewishmuseum.org.uk/virtual-classrooms/

Jorvik Viking Centre – Virtual Vikings – students can spend 45 minutes discovering what life was like in the Viking Age in York.

https://www.jorvikvikingcentre.co.uk/education/outreach/

Jorvik DIG – virtual outreach sessions - deliver digital history lessons straight to the classroom. <u>https://digyork.com/education/outreach-and-virtual-outreach/</u>

Malton Museum – deliver amazing outreach Roman Legacy sessions at schools. <u>https://www.maltonmuseum.co.uk/school-groups/</u>

National Coal Mining Museum for England – can provide 1 hour live workshops for schools including Meet a Miner, Victorian Miner and Rocks and Fossils virtual sessions. https://www.ncm.org.uk/learning-hub/

National History Museum – free for a limited time, the Natural History Museum can be brought into the classroom with live virtual workshops and streamed shows. https://www.nhm.ac.uk/schools/virtual-workshops.html

National Memorial Arboretum – give access to a multitude of materials available for free to use from home. <u>https://www.thenma.org.uk/visit-us/plan-your-visit/visiting-for-learning-and-training/learning-from-home</u>

National Science and Media Museum – resources available include activities, games and videos to support a range of curriculum topics for use in the classroom and at home. https://learning.sciencemuseumgroup.org.uk/learning-resources/

Observatory Science Centre and Planetarium – the award winning outside the classroom provider, has with everything from quizzes to the fantastic Science at Home section to try. <u>https://www.the-observatory.org/science-at-home</u>

Scarborough Museums – have a free 'Arts Discover At Home' resource that will keep the kids busy for hours. <u>https://www.scarboroughmuseumstrust.com/arts-award-at-home/</u>

Royal Armouries Museum – offer a bookable live digital outreach service to schools. <u>https://royalarmouries.org/learning/?where=LearningResources</u>

Stratford Butterfly Farm – providing downloadable resources to help support learning from home/within schools on the Lifecycle of a Butterfly/Ancient Maya Rainforest Civilisation. https://www.butterflyfarm.co.uk/attraction/schools-and-groups

The Deep – offering fun home learning resources to cover 17 conservation topics including 'The Big Fish Campaign'.

https://www.thedeep.co.uk/education/school-trips

Winchester Science Centre and Planetarium – educational and fun resources with the UI-timate STEM School Takeout.

https://www.winchestersciencecentre.org/

ZSL London Zoo – offer Digital Outreach sessions linking up to the classroom live from ZSL. <u>https://www.zsl.org/zsl-london-zoo/schools</u>

Get Creative

Autumn is a great time for looking at how nature is changing the foliage around us. As a result of the long hot spells we experienced in the spring combined with the damper months of summer, this season is expected to be even better than usual with a spectacular display of golds, oranges and reds. Children love this time of the year, crunching through a pile of dried leaves, foraging for leaves, conkers and other treasures teaches them about the natural world around them and inspires their creativity. By working together as a team it gently helps bring them together and reforge friendships after so long apart.

Make a collage or sculpture

Get your students into teams to hunt for natural foliage such a twigs, logs, leaves and berries to create a collage or sculpture. This could be an imaginary animal or perhaps an abstract piece of art. Get them to plan the design and whether it is going to be flat, three dimensional and viewed from all sides.

Alternatively they all have to bring five things into use and the teacher can bring in some objects too in case any child forgets.

The winning team is the one with the most creative idea.

Make a bug hotel at your school or in your garden

Children are fascinated by creepy crawlies and this can keep them entertained for hours.

If you have an old cupboard, wooden pallets or chicken coup you could use this as a frame and fill it with logs and other structures that creepy crawlies love. Alternatively you can create a framework from a pile of logs, flower pots preferably terracotta and twigs.

What you need.

• Collection of logs • Old terracotta pots • twigs • leaves • bricks • pine cones

Make an Abacus

All children love collecting conquers and hording them, so here is a useful way of making use of them.

- Collect conkers
- Get an adult to drill a hole through them.
- Use those green long thin gardening sticks or wooden skewers to thread the conkers on.
- Use a large cereal box and cut out the front section leaving a frame.
- Then glue the sticks with the conquers on inside the box so there is just enough room in between each row for the conquers to move up and down.

Work Of Art

Collect leaves, bark, stones etc and get your children to take rubbings of the different textures using coloured crayons and textures of paper. Then create a large collage, mount it in a frame and it will look great on the wall. Great way of teaching them to look at colours and textures and work as a team.

Make a hat/crown or cats ears

Cut out from a template shapes for a pointed hat, crown or pair of ears. Or use recycled cartons, for example loo rolls. Get your children to cut out and make their chosen headgear. They can paint and decorate it. When finished tie some elastic string across the front piece so that it is secured when wearing.

Face Painting

Each child has their face painted to coordinate with their hat on the last day before the half term holiday begins. Then they can proudly go home wearing their new headgear and faces!

Fireworks

Mix up the different primary colours of paint and put sponges into the paint then onto the paper and using a hammer hit the sponge to make a big mess. The end result will look like fireworks. Great fun and the children will learn how the different primary colours create a whole rainbow of colour as they mix together.

Funny people

Collect empty loo rolls or used stiff coloured paper and roll them into cones. If using loo rolls paint them in different colours. Use stick on shapes, paint and pipe cleaners to make faces, arms and hair.

Make a necklace

Collect a mixture of conkers all sizes and grade them from very small to large. Make a hole in each conker and thread them on a piece of string the smallest at the back to the largest at the front.

Ghost bunting

Decorate your classroom or hang at the windows. Collect some lovely large leaves, long large oval ones are best. Take a piece of white paper and place the leaf on the paper, draw around it and cut it out. Then you will have the shape of a ghost. Either make two slits for eyes and mouth or draw on two slits for the eyes and an oval for the mouth. Thread string or thin white cord.

WHERE TO PICK YOUR PUMPKIN

Make Halloween an event to remember this year and visit a pumpkin farm.

Plenty of fresh air activities are being organised at farms and garden centres across the region and it is a chance to get out and have some fun! Please remember to check if you need to pre-book.

Matthews Pumpkin Patch Selected dates in October Aberbran, Brecon LD3 9NG www.aberbranfawr.co.uk

Edible Conkers!

A simple recipe for children to follow but always with adult supervision

Ingredients 250g/8oz digestive biscuits 150g/5oz milk chocolate 300g/10oz dark chocolate 100g/3½oz unsalted butter 150g/5oz golden syrup 100g/3½oz dried apricots, chopped 75g/2½oz raisins 60g/2oz pecans, chopped (optional)

Method

1. Bash the biscuits into pieces using a rolling pin. (Put them in a plastic bag first so they don't go everywhere!)

2. Melt chocolate, butter and golden syrup in a heatproof bowl set over a pan of simmering water. Stir occasionally.

3. Remove the bowl from the heat and stir in the broken biscuits, apricots, raisins and pecans (optional).

4. Let the mixture cool and mould with your hands into balls making them different sizes.

5. Leave to go hard on a rack in the refrigerator.

Cover the Conkers

6oz dark chocolate

6oz cream

3oz white chocolate

3oz cream

1. Break the chocolate into small pieces and melt in a double saucepan of a bowl over simmering hot water.

2. At the same time warm the cream gently to blood temperature(it should be warm to the touch when you stick your finger in).

3. When the chocolate has melted gradually add the warmed cream slowly to make a sauce.

- 4. With a pair of tongs dip the conquers in the chocolate sauce and cover them.
- 5. Leave to dry on a cake rack.
- 6. Whilst drying melt the white chocolate using the same method.
- 7. When the conkers are dry dip the front in the white chocolate and leave to dry again.

Create Marzipan Shells

Block of marzipan

Green food colouring

Use an egg cup as a cutter

- 1. Colour the marzipan green.
- 2. Roll out with a rolling pin.
- 3. Cut circles using the egg cup.
- 4. Wrap around the chocolate conker so they are popping out of the marzipan shell.
- 5. Cut some of the circles in half to alter the shells.
- 6. Leave to chill and then serve and enjoy!
