EDUCATIONAL VISITS UK DAYS OUT - LONDON

SPRING 2022

Welcome

Contents

Welcome to the latest Educational Visits digital magazine bringing you news and updates on what is happening for schools and families in your region during Spring.

Spring will soon be upon us and we hope that this magazine gives you and your family some inspiration of exciting things to do and places to visit on your doorstep. It should also give some inside information on where to find the Easter Bunny! As well as Easter, there are also some great events taking place over the May Half Term holidays and of course, in celebration of the Queen's Platinum Jubilee in early June. Remember to book ahead to avoid disappointment and if you are able, please support your local businesses to help them get back on track. Please feel free to tell friends and colleagues about this publication so that they too are aware of exactly what is happening in your area. We hope you have a fantastic time this Spring.

International Days

International Days of Recognition are occasions that help promote discussions on topical issues in schools. Here are a number of International Days taking place over the Winter period to be aware of and it may even be that your school decides to organise activities related to the day.

Spring 2022

World Book Day

3 March - the theme in 2022 follows the message "You Are a Reader," with a focus on reaching children from disadvantaged backgrounds.

World Wildlife Day (WWD)

3 March - the theme in 2022 is 'Recovering key species for ecosystem restoration'.

International Women's Day

8 March - celebrates the achievements of women with an emphasis on women's equality.

International Day for the Elimination of Discrimination

21 March – commemorated annually on this date in remembrance of the 69 people killed in 1960 at a peaceful anti-apartheid demonstration in South Africa.

World Poetry Day

21 March - recognises that poetry is unique in capturing the creative spirit of the human mind.

International Day of Forests

21 March - the theme in 2022 is 'Forests and Sustainable Production and Consumption'.

World Health Day

7 April - this global health awareness day draws attention to health concerns all over the world. It is marked on 7 April every year, on the anniversary of the founding of the World Health Organisation (WHO) in 1948.

World Day for Cultural Diversity for Dialogue and Development

21 May - annually celebrates the essential role of intercultural dialogue for ensuring we sustain and achieve peace and development around the world.

World Environment Day

5 June - the theme in 2022 is 'Only One Earth' with a focus on living sustainably in harmony with nature.

World Oceans Day

8 June - raises awareness about protecting our oceans and ending overfishing.

FREE nature-connection schools programme at Wildfowl and Wetlands Trust

Photos Courtesy of Wildfowl and Wetlands Trust

WWT have recently launched their Generation Wild programme, which will connect 45,000 children and their families with nature. It includes FREE school visits (including FREE transport), FREE visits for families and a specially designed website to encourage continued nature-connection activity at school, at home and in local greenspaces.

Children and their families will find themselves transported by a magical narrative as they meet Ava, a part-bird, part-human creature in a giant nest. Can they help her to find her family, fulfil her destiny and unlock some of nature's wildest secrets along the way?

The programme is now open to schools in disadvantaged areas, with places offered on a first-come-first-served basis. Eligibility criteria (based on % of pupils eligible for free school meals) vary across centres so please visit the Generation Wild website to find your nearest centre and see if your school qualifies.

See www.generationwild.org.uk

Virtual Learning

Coming Zoom to a classroom near you

In the last 2 years, Museums and other visitor attractions had to adapt the way in which they are able to ensure that schools could still access learning experiences, especially when they were not allowed to physically visit. Virtual outreach, workshops and learning resources are ways in which learning can be achieved and here is a list of some of the country's museums and attractions offering other ways of learning.

Aerospace Bristol – have a vast array of fun and educational activities & resources to enjoy at home or in the classroom. From making Gliders to learning about the science behind rockets, this is the site to visit. Our particular favourite is making your own Airshow!
<https://aerospacebristol.org/at-home-with-aerospace-bristol>

Barnsley Museums – enjoy a 360 degree tour of the fabulous Experience Barnsley and Can-non Hall Museums.
<https://www.barnsley-museums.com/digital/virtual-exhibitions>

Beamish – The Living Museum – bring classroom learning to life through remote and onsite, immersive experiences for KS1-5.
<https://www.beamish.org.uk/learning/learning-activities/>

Bristol Museums – Offering great school webinars 'Brilliant Bristol Women!' on 8 March and Art and Architecture in ancient Benin. Additionally, they have a popular programme of sessions for Home Educating Families.
<https://www.bristolmuseums.org.uk/learning/>

Cornish Seal Sanctuary – offer Virtual Workshops tailored to individual Key Stage groups and designed to teach students about environmental issues, habitats and species in a fun way.
<https://sealsanctuary.sealifetrust.org/en/visiting-us/virtual-workshops/>

Jewish Museum – offer award-winning workshops through distance learning. Workshops are based on a guided exploration experience of the unique collection of authentic objects enabling students to have awareness of what it means to be Jewish in Britain today.
<https://jewishmuseum.org.uk/virtual-classrooms/>

Leeds Museums and Galleries – providing online Exhibitions including the Open Minds Exhibition, Podcasts and a vast array of online learning resources and online activities for kids.
<https://museumsandgalleries.leeds.gov.uk/virtual-visit/>

Life Science Centre – the #LifeGoesONline programme is full of educational activities and fun demonstrations to try at home including Birthday themed challenges, scavenger hunts and science at home fun.
<https://www.life.org.uk/life-goes-online>

Malton Museum – deliver amazing outreach Roman Legacy sessions at schools and provide the ever popular Museum in a box resource to help you create your own class/school museum.
<https://www.maltonmuseum.co.uk/school-groups/>

National Coal Mining Museum for England – can provide 1 hour live workshops for schools including Meet a Miner, Victorian Miner and Rocks and Fossils virtual sessions.
<https://www.ncm.org.uk/learning-hub/>

National History Museum – free for a limited time, the Natural History Museum can be brought into the classroom with live virtual workshops and streamed shows. Workshops run for 45-60 minutes and are particularly suited to KS2 pupils. Topics currently include volcanoes, earthquakes and virtual evolution.
<https://www.nhm.ac.uk/schools/virtual-workshops.html>

National Memorial Arboretum – give access to a multitude of materials available for free to use from home. Also have fantastic online KS2 and KS3 Activity Worksheets. Subjects available include 'Women at work in World War 1' and 'Children in the second world war'.
<https://www.thenma.org.uk/visit-us/plan-your-visit/visiting-for-learning-and-training/learning-from-home>
